

REQUEST FOR PROPOSAL

RFP No: IT-2026-0042

Issue Date: April 15, 2026

Issuing Organization

State Department of Technology Services

450 Capitol Avenue, Suite 300

Hartford, CT 06103

Title:

Enterprise Data Analytics Platform

Procurement Type:

Request for Proposal (RFP)

Contract Value:

Estimated \$750,000 - \$1,200,000 (five-year term)

Important Dates:

Pre-Proposal Conference: May 5, 2026 at 10:00 AM ET

Questions Due: May 12, 2026 at 5:00 PM ET

Proposals Due: June 1, 2026 at 2:00 PM ET

Anticipated Award: July 15, 2026

Contract Start: September 1, 2026

1. BACKGROUND

The State Department of Technology Services (SDTS) is seeking proposals from qualified vendors to design, develop,

2. SCOPE OF WORK

2.1 Data ingestion pipelines for 15+ source systems (structured and unstructured)

2.2 Data warehouse / data lake architecture design and implementation

2.3 Real-time dashboard and reporting interface (role-based access)

2.4 Ad-hoc query engine with natural-language interface (NLP-based)

2.5 Predictive analytics modules for resource forecasting and anomaly detection

2.6 API layer for third-party integration

2.7 User training (train-the-trainer) and comprehensive documentation

2.8 24/7 production support with SLA guarantees (99.5% uptime)

3. DELIVERABLES

Deliverable	Due Date
D1 - Requirements Specification Complete SRS document approved by SDTS program manager.	June 30, 2026
D2 - Architecture Blueprint Detailed architecture document covering data flow, security, scalability.	July 31, 2026
D3 - MVP Release (Phase 1) Ingestion pipelines and dashboards for first 5 source systems.	September 30, 2026
D4 - Full Platform Release All 15+ source systems, analytics modules, and API layer.	December 15, 2026
D5 - Training and Handover Training sessions, user manuals, admin guides, and source code repository.	January 15, 2027
D6 - Warranty and Support 6-month production support post-handover with SLA monitoring.	July 15, 2027

4. ELIGIBILITY REQUIREMENTS

[Mandatory] Experience:

Minimum 5 years of experience building enterprise-scale data platforms (reference required)

[Mandatory] Team Qualification:

Proposed team must include at least one certified AWS Solutions Architect and one CDMP-certified data professional

[Mandatory] Financial Stability:

Minimum \$2M annual revenue for the past 2 fiscal years; audited financial statements required

[Mandatory] Security Clearance:

All team members must pass state-level background check (fingerprinting)

[Mandatory] Insurance:

Must hold \$5M general liability and \$2M professional liability insurance

5. EVALUATION CRITERIA

Proposals will be evaluated on a 100-point scale:

Technical Approach and Solution Design	30%
Past Performance and References	20%
Project Management and Staffing Plan	15%
Cost / Price Proposal	20%
Small Business / MWBE Participation	10%
Compliance with RFP Requirements	5%
TOTAL	100%

6. TERMS AND CONDITIONS

6.1 Contract Term: Five (5) years from the effective date, with two (2) optional one-year renewals.

6.2 Payment Terms: Net 45. 10% retention held on each milestone payment until final acceptance.

6.3 Warranty: Vendor warrants the platform will be free from defects for 12 months post-acceptance.

6.4 Liquidated Damages: \$500 per day for each deliverable past due, up to 10% of contract value.

6.5 Data Ownership: All data, code, and intellectual property produced under this contract shall be owned exclusively by the State.

6.6 Non-Disclosure: Vendor and its personnel shall sign state-standard NDAs. Breach results in immediate termination and liability for damages.

6.7 Auditing: State reserves the right to audit vendor's security controls, financial records, and subcontractor compliance at any time.

6.8 Termination for Convenience: State may terminate without cause with 30 days written notice.

6.9 Debarment: Vendor certifies it is not debarred, suspended, or otherwise excluded from federal or state procurement programs.

7. IMPORTANT NOTES / POTENTIAL RISKS

10% retention on milestone payments creates cash-flow pressure - factor into pricing.

Liquidated damages clause (\$500/day) applies per deliverable - aggressive schedule risk.

Fingerprint-based background checks for ALL team members may delay onboarding by 4-6 weeks.

Net 45 payment terms with 10% retention means final payment may be 60+ days post-delivery.

State reserves audit rights - ensure SOC 2 Type II or equivalent certification is current.
